

# GALÁPAGOS ISLANDS - NATURE & WILDLIFE EXPEDITION CRUISE MARCH 7 - 13, 2026

## *7-day Adventure from Quito, Ecuador to the Galapagos Islands with HX-Hurtigruten Expeditions*

You will explore the Galápagos islands onboard the MS Santa Cruz II sailing with a maximum of 90 guests. Enjoy an intimate, comfortable environment. The most compelling reason to travel to Galápagos is the wildlife, from the giant tortoises, to endemic marine iguanas and over 150 species of bird. You'll observe animals and birds that are impossible to see anywhere else, both in carefully maintained environments and beautiful natural habitats. Onboard, you will enjoy locally sourced cuisine, daily excursions and activities, and a Science Centre.

## *Itinerary*

*March 7 - 13, 2026*

- Day 1** - Depart Huntsville & arrive in Quito, Ecuador | Check in to hotel
- Day 2** - Tour historic Quito
- Day 3** - Board expedition ship
- Day 4** - Pristine Santiago Island
- Day 5** - Stunning Rábida and Bartolomé
- Day 6** - Genovesa, a bird paradise
- Day 7** - See the giant tortoises before departing for home

*Onboard, enjoy delicious food from local sources, increase your knowledge of the Galápagos with fellow travelers in the Science Center and mingle on the multiple decks.*
