KIM'S KORNER

Hello Steady Friends,

I hope this finds you all happy and healthy. It goes without saying, the sun is hot - and sleeves, sunscreen, sunglasses and water are our friends every day! Use them adequately. If you should visit the Bailey Cove Steady for Life classes located in Southeast Huntsville, you will find us at a new permanent location. On June 1st, we moved those classes to the Sandra Moon Community Complex (former Grissom High School), 7901 Bailey Cove Road. We will also host all our future Steady for Life extra activities there such as our TRAVEL FAIR on November 14th. If you enjoy traveling with us, save this date from 2:00-4:00 when we will share all we are planning for 2025 and 2026 in the world of travel. We have sent out travel surveys to our current travelers, and they are giving us their feedback as we make future plans. Read on for what is happening currently.

Be well...on purpose,

Kim Davis, Director
Steady for Life

WHAT ARE THE LATEST SCAMS IN OUR AREA?

Peggy Cole from the Huntsville Better Business Bureau will be visiting us on Wednesday, July 17, at 2:00 at our Sandra Moon Center location, 7901 Bailey Cove Road. She will tell us about common scams that target us almost daily, what to watch out for, and how to protect ourselves. Please RSVP to Amy at amfarn@gmail.com or 256-652-9027 so we know how many seats and handouts to have ready. This is valuable information to learn and share, so please plan to join us and tell your friends about this free event.

How to find us: Look for Steady for Life signs at the south side of the building and go up the wooden ramp. This is the opposite side of the campus from the library. There is a big wide-open parking lot and you can see tennis courts and pickleball courts sitting in the back of the parking lot.

The Music Man follows fast-talking traveling salesman, Harold Hill (played by Stephen Tyler Davis), as he cons the people of River City, Iowa, into buying instruments and uniforms for a boys' band that he vows to organize – this, despite the fact that he doesn't know a trombone from a treble clef.

Harold teaches discordant neighbors to live in harmony — quite literally — by transforming the town's bickering school board into a barbershop quartet.

One of the most universally cherished treasures of American musical theater, The Music Man was an instant smash hit when it premiered on Broadway on December 19, 1957. It went on to win five Tony Awards, including the prize for Best Musical, and ran for 1,375 performances. The production is a feel-good show with plenty of humor and heart and is perfect for the whole family.

Seventy-five Steady for Life tickets have already been purchased for the Sunday, July 14th 2:00 matinee. If you'd like to attend with our group at that time, reach out to Kim@steadyforlife.org by July 1st for a \$27 ticket. (Your ticket will be waiting for you at WILL CALL).

If you'd like to attend one of the other nine performances, you can order your tickets from lyriquemusicalproductions@gmail.com. This is high energy musical show that will take Huntsville by storm this summer – you don't want to miss it!
