Wake up rested and refreshed! A brief morning of travel will lead us into the rolling Ozark Mountains and to Top of the Rock; where we'll have lunch at the beautiful Osage restaurant, tour the Ancient Ozarks Museum of Natural History and explore, by golf cart, the magnificently manicured grounds of the Lost Canyon Nature Trail. The trail will lead us across bridges and past waterfalls to incredible sites to behold. Then, we're off to check-in at the Thousand Hills Resort Hotel for a 4-night stay. Following dinner, you'll have a choice of included evening entertainment. *(Please submit your preference with final payment)*. David! at the Sight & Sound Theatre OR Shepherd of the Hills Outdoor Drama. **(B L D)**

### **Wednesday, September 17**

This morning a local guide will join our group exploring with us the land, lore, and lake area that surrounds this musical mountain town - complete with a lunchtime sailing aboard the Showboat Branson Belle. Our afternoon will have a leisurely pace, allowing us to visit the shops at the Grand Village or refresh at the hotel. This evening we'll enjoy dinner at the Chateau at the Lake, wonderful food and wonderful veranda views, and an evening performance of Clay Cooper's Country Express Show - complete with 25+ singers, dancers, vocalists and musicians filling the stage. Music, comedy, and talent abounds! **(B L D)**

### **Thursday, September 18**

Our adventures will lead us deeper into the Ozark Mountains where we visit Dogwood Canyon Nature Park. Here, 10,000+ acres of Ozark land sprawls across the Missouri state line into Arkansas. Our narrated tram tour will lead us along the path, crossing hand-hewn bridges along pristine creeks, and even into the Park's private buffalo herd. Lunch will be creekside during the tour. Next stop for exploration is The College of the Ozarks. A student from the College will step aboard our coach sharing the uniqueness of "Hard Work U" as we tour the Campus grounds and visit the Museum. A splendid dinner at the Keeter Center features culinary taste delights and Campus harvested produce. Our evening show will be one of Branson's best, The Haygoods! Talent, family harmony, and top-notch production all rolled into one great show. **(B L D)**

### **Friday, September 19**

We have a fun start to the day with a trip back to the 50s & 60s at the Hot Rods & High Heels Show - complete with outstanding costume changes, wonderfully talented musicians and amazing choreography. This may prove to be your favorite way to start the day. Lunchtime will find us at Jackie B. Goode's Uptown Cafe; there will be ice-cream for dessert. This afternoon, you will again have the opportunity to choose the activity you'll enjoy the most. Options will be: Silver Dollar City's Harvest Festival with dinner and an evening Harvest Concert OR an afternoon at the Branson Landing with dinner and the Grand Jubilee Show. *(Submit your preference with final payment)*. **(B L D)**

### **Saturday, September 20**

Our adventure continues as we travel home today. Making our way through the scenic byways, we'll visit at the private home of famed HGTV personality Chris Olsen! An exclusive Steady For Life luncheon event at Chris' home, sharing his decorating techniques and divine taste treats is sure to be the finale to a week well spent. **We will return home at approximately 8:30pm this evening**, sharing great memories made with friends, old and new alike. **(B L)**
