

Steady for Life Presents....

TAKE A "WALK ON THE WILD SIDE" Day Trip April 24th 2026

⇒ Our first stop will be **TIGERS OF TOMORROW**, a wild animal preserve featuring 8 wild cat species, black bears, brown bears, wolves, foxes, and other small predators. The sanctuary covers 18 fenced acres. Lunch will be served at the Dragonfly Café.

⇒ Next, you'll visit the newly refurbished **Noccalula Falls** in Gadsden, AL. Once known as Black Creek Falls, this site features a statue that commemorates the legend of Princess Noccalula and her famous leap. We'll share the story during your tour.

⇒ To round out the day, you'll experience a special dinner at the family-owned **BAMA BUCKS STEAKHOUSE & WILD GAME RESTAURANT**, featuring exotic wildlife, camel rides, and wild game meals prepared by Chef John Salmon in a cozy cabin setting.
